

infraguard

FASTER WELL-ARCHITECTED REVIEWS

FOR SOLUTION ARCHITECTS

For Demo
contact@infraguard.io

WHAT MAKES US DIFFERENT

Auto-population of answers based on Real-Time Data. Suggestions for rectification included.

Manage multiple accounts and access from a single dashboard view.

Share access & reports with Partners for milestones. Set up reminders.

KEY FEATURES

- MULTI-ACCOUNT MANAGEMENT
- AUTOFILLS & SUGGESTIONS
- NOTIFICATIONS & REPORTS
- CUSTOM INTEGRATIONS

The InfraGuard Value

InfraGuard makes Well-Architected Reviews Faster & Trackable powered with its custom Mapping Engine that takes inputs from AWS Trusted Advisor & AWS Config and delivers Auto-population of Options across Lenses. Combined with Multi-Account Management and InfraGuard Notifications, InfraGuard is the perfect solution for continuous reviews.
